Executive Summary

Global Citizens Community Center (GCCC) is a virtual, borderless organization uniting communities worldwide to address the most pressing challenges facing humanity: climate catastrophe, extreme poverty, food insecurity, mental health crisis, and community fragmentation.

Founded by Rosie — Co-Creator of Global Citizen — GCCC operates as a virtual community center, making its programs accessible to every community on earth regardless of geography. This proposal outlines GCCC's mission, the Sustainability Hour framework, the no-bake vegan bake sale fundraising engine, and a five-year roadmap to raise \$1.7375 billion toward ending extreme poverty by 2030.

Mission Statement & Global Context

Our Mission

To unite communities worldwide in addressing the most pressing challenges facing humanity, with a focus on sustainable development, poverty eradication, and climate action through immediate grassroots mobilization — delivered virtually to every corner of the globe.

Why Virtual?

The Global Citizens Community Center is intentionally virtual. This is not a limitation — it is a superpower. By operating without physical walls, GCCC can:

- Reach communities in all 7 continents simultaneously
- Deploy programs in any city, town, or rural area within days
- Eliminate facility costs and redirect 100% of resources to impact
- Partner with existing community spaces rather than competing with them
- Scale from 1 location to 1,000,000 locations without capital expenditure

The Crisis We Are Responding To

The Doomsday Clock stands at 89 seconds to midnight — the closest to global catastrophe in recorded history. Five converging crises demand immediate, coordinated, grassroots response:

Five Converging Global Crises

- Climate catastrophe — carbon emissions accelerating toward irreversible tipping points
- Extreme poverty — 700 million people living on less than \$2.15/day; \$1.64T needed by 2030 to end it
- Food insecurity — 800 million people go hungry daily; children are most affected
- Mental health crisis — 1 in 4 people globally affected; access remains scarce in low-income communities
- Community fragmentation — social isolation, polarization, and disconnection undermining collective action

The \$120 Million Matching Fund — A Game Changer

GCCC has secured a \$120 MILLION MATCHING FUND COMMITMENT from a major funding coalition. This commitment doubles every grassroots dollar raised in our critical infrastructure-building phase:

- Every bake sale dollar is doubled — \$5 raised becomes \$10 in impact
- Institutional funders have validated the GCCC community-driven model
- 5-year fundraising potential grows from \$1.6175 billion to \$1.7375 billion total
- With economic value created, total poverty-fighting contribution reaches \$4.39 billion

- Other major funders will follow — proof-of-concept is established

Core Initiative: Sustainability Hour

Sustainability Hour is GCCC's flagship program — a dedicated weekly hour for climate education, community action, and poverty reduction, deployable in any location on earth within 7 days.

Program Design

Sustainability Hour Framework

- One hour per week, hosted in community centers, schools, libraries, faith organizations, or virtually
- Climate education: carbon footprinting, sustainable living, plant-based nutrition
- Community action: local sustainability challenges tied to UN SDGs
- Peer learning: cross-cultural exchange and global solidarity building
- Youth leadership: teens co-facilitate and eventually own their chapter
- Data tracking: measurable environmental and social impact per session

7 Continents, 7 Days Initiative

GCCC coordinates simultaneous Sustainability Hour launches across all seven continents on a rolling 7-day schedule — creating a continuous global wave of action.

- Africa: Community resilience and climate adaptation education
- Asia: Sustainable agriculture and food security focus
- Australia/Oceania: Ocean health and reef preservation
- Europe: Carbon neutrality and circular economy practices
- North America: Youth leadership and urban sustainability
- South America: Rainforest protection and indigenous knowledge
- Antarctica/Global Virtual: Research education and global data sharing

UN Global Goals Integration

Every Sustainability Hour session is mapped to at least one of the 17 UN Sustainable Development Goals:

SDGs Addressed by GCCC Programs

- SDG 1 — No Poverty: Direct fundraising and economic empowerment
- SDG 2 — Zero Hunger: No-bake vegan bake sales; No Kid Hungry partnership
- SDG 3 — Good Health & Wellbeing: Mental health integration with Family Affair Organization

- SDG 10 — Reduced Inequalities: Accessible, free programming for all economic levels
- SDG 11 — Sustainable Communities: Resilient local networks built through chapters
- SDG 13 — Climate Action: Carbon-neutral fundraising model; education on emissions
- SDG 17 — Partnerships for the Goals: Unite communities across borders and sectors

Flagship Fundraiser: No-Bake Vegan Bake Sale

The no-bake vegan bake sale is the cornerstone of GCCC's grassroots fundraising engine. It is zero-emissions, plant-based, universally accessible, and can be launched in any location today — no equipment, no training, no barriers.

Why No-Bake and Vegan?

- Zero emissions — no cooking energy required, aligning with our climate mission
- Plant-based — reduces agricultural carbon footprint per dollar raised
- Universal accessibility — no kitchen, oven, or special skills needed
- Immediate deployment — any community can begin today
- Health-aligned — models the nutrition education GCCC teaches

Sample No-Bake Vegan Products

Ready-to-Sell Products

- Energy balls — dates, nuts, cocoa, rolled oats
- No-bake oat bars with peanut butter and honey
- Chocolate avocado mousse cups
- Coconut date truffles
- Raw fruit and nut bars
- Chia seed pudding cups
- Frozen banana pops dipped in dark chocolate

Proceeds Allocation

- 40% — No Kid Hungry (direct child food security impact)
- 30% — Family Affair Organization core community services
- 30% — GCCC Sustainability Hour chapter expansion

Monthly Global Bake Sale Day

First Saturday of every month is Global Bake Sale Day — coordinated across all GCCC chapters worldwide, with rotating themes tied to the UN SDGs and GCCC's 7 Continents calendar.

Signature Global Events

Global Family Fest — The World's Greatest Race for Unity

GCCC's flagship annual event — a multi-day, multi-continent celebration of culture, community, and collective action.

Event Components

- 17 teams representing communities across all 7 continents
- Cultural showcases from each participating region
- Sustainability challenges and no-bake vegan food competitions
- Family wellness workshops and mental health awareness
- Youth leadership summits — teens present solutions to global challenges
- Community art installations celebrating unity and sustainability
- Live-streamed globally via GCCC's virtual platform

Drop the Flag Challenge — A Movement for Peace

A 30-day global transformation program encouraging individuals everywhere to leave behind negativity, division, and harm — and step into peace, accountability, and community.

Challenge Structure

- 30-day commitment program with daily micro-actions
- Weekly virtual check-ins and peer support groups
- Mentorship pairings across continents
- Community celebration events upon completion
- Integration with sustainability goals and mental wellness
- Social media amplification with #DropTheFlagChallenge

Fundraising Strategy

Revenue Streams

Revenue Source	Details & Target
No-Bake Vegan Bake Sales	10,000 global sales by Year 1 @ avg \$500 = \$5M base; \$10M with match
Global Family Fest Events	100 events across 7 continents @ avg \$25,000 = \$2.5M base; \$5M with match
Corporate Sponsorships	\$10M Year 1 target; \$20M with match — plant-based brands, tech, wellness
Grants & Government	Mental health, climate action, poverty reduction, municipal partnerships
Membership Programs	Sliding-scale global memberships via virtual platform
Social Enterprise	Music label, media production, merchandise, podcast revenue
Virtual Events & Webinars	Sustainability education, fitness, nutrition — ticketed or donation-based

Financial Projections (2025–2029)

With the \$120 million matching fund doubling grassroots dollars in Years 1–3:

Year	Base Raised	Match Applied	Total Impact
Year 1 (2025)	\$17.5 Million	\$17.5 Million	\$35 Million
Year 2 (2026)	\$50 Million	\$50 Million	\$100 Million
Year 3 (2027)	\$150 Million	\$52.5 Million (remaining)	\$202.5 Million
Year 4 (2028)	\$400 Million	Self-sustaining	\$400 Million
Year 5 (2029)	\$1 Billion	Full mobilization	\$1 Billion
5-Year Total	\$1.6175 Billion	\$120 Million	\$1.7375 Billion

Fund Allocation

- 60% (\$1.04B) — Direct poverty alleviation: food security, housing, job training, legal aid, microloans
- 25% (\$434M) — Infrastructure: virtual platform, chapter development, mental health delivery, education

- 15% (\$260M) — Movement building: awareness, volunteer training, global coordination, research

Economic Value Created Beyond Fundraising

If GCCC and partners serve 1 million individuals by 2030:

- Free mental health counseling: \$300 million in costs saved
- Free legal aid: \$150 million in costs saved
- Food assistance: \$200 million in value delivered
- Job placement — 50,000 people x \$40,000 avg salary increase: \$2 billion in annual wage increases

TOTAL ECONOMIC IMPACT: \$1.7375B raised + \$2.65B in value delivered = \$4.39 BILLION toward ending extreme poverty

Expansion Plan: 7 Continents Model

Because GCCC is virtual, expansion requires no physical real estate. Growth is measured in chapters activated, volunteers trained, and communities served.

Phase 1 — Immediate (Months 1–3)

- Launch virtual headquarters and GCCC digital platform
- Establish Sustainability Hour in 7 continental hub communities
- Deploy first no-bake vegan bake sale fundraiser globally
- Activate No Kid Hungry partnership
- Recruit 10,000 founding volunteers worldwide
- Execute first Global Family Fest event

Phase 2 — Consolidation (Months 4–12)

- Expand to 50 cities globally — 7 per continent minimum
- Build full digital infrastructure: telehealth, virtual fitness, coordination platform
- Develop standardized training for volunteers and chapter leaders
- Launch podcast series: real-life transformation stories from global community members
- Begin grant applications and secure first corporate sponsorships

Phase 3 — Global Network (Years 2–5)

- Sustainability Hour active in every major city worldwide
- Rural and remote outreach via mobile and satellite-connected programs
- Self-sustaining local chapters: youth leadership takes over management
- Social enterprise revenue (music label, media, merchandise) operational
- Municipal contracts for service delivery in partner cities
- Measurable contribution to Doomsday Clock factors and World Bank \$1.64T goal

How We Scale: From \$35M to \$1B

Growth Driver	How It Works
Network expansion	10,000 to 1,000,000 volunteers — funded by matched early dollars
Event multiplication	10,000 to 500,000 bake sales annually by Year 5
Major donor cultivation	Celebrity and billionaire engagement via Global Citizen platform
Corporate matching	Every dollar raised matched by business partners
Government partnerships	Municipal contracts for Sustainability Hour delivery
Social enterprise revenue	Music label, media production, merchandise at scale
Proof of concept	\$120M match demonstrates institutional confidence in model

Strategic Partnerships

GCCC's virtual model is built on partnerships — every community center, school, library, and organization that hosts a Sustainability Hour is a GCCC partner.

Partner	Role & Purpose
Family Affair Organization	Core community services partner — mental health, food, legal aid, youth (Brooklyn, NY)
No Kid Hungry	Food security and child nutrition — 40% of all bake sale proceeds
National Action Network	Civil rights, community advocacy, and mobilization
Global Citizen	International poverty and sustainability campaign amplification
Community Centers Worldwide	Physical hosting locations for Sustainability Hour across 7 continents
NYPD Community Affairs	Youth safety and mentorship in US chapters
Telehealth Platforms	Virtual mental health delivery infrastructure
Legal Aid Organizations	Free legal services integrated into community programming
Educational Institutions	Academic partnerships for youth programs and workforce pipeline
Sports Organizations	Youth mentorship through athletics and coaching
Music & Arts Partners	Creative expression, record company development, podcast platform

Technology & Virtual Infrastructure

As a virtual organization, GCCC's technology platform is its community center. Every service, program, and event is designed for digital-first delivery.

Virtual Platform Components

- Sustainability Hour hosting: live-streamed sessions, recordings, and curriculum library
- Secure telehealth platform for mental health services (in partnership with Family Affair)
- 24/7 crisis hotline and online support group scheduling
- Virtual fitness classes (Zoom gym) and nutrition education
- Podcast platform featuring transformation stories from global community members
- Online job training courses and career readiness modules
- Event calendar, volunteer management, and global coordination tools
- Donation processing and impact tracking dashboard
- Multilingual resources and services for international communities

Digital-First Advantage

- Zero facility costs — all resources go directly to programs and people
- Instant global scalability — a new chapter can be live within 24 hours
- Data-driven impact — every session tracked and reported in real time
- Accessibility — programs reach individuals with mobility, geography, or economic barriers
- Resilience — virtual delivery continues through weather, unrest, or pandemic conditions

Organizational Structure

Leadership

Role	Name / Description
Founder	Rosie — Global Citizens Community Center; Co-Creator, Global Citizen
Address	Virtual Community Center — Worldwide
Board Structure	12 seats: 3 GCCC, 3 Family Affair, 3 partner organizations, 3 community-elected
Continental Coordinators	One per continent — manages regional partnerships and chapter oversight
Advisory Council	Sustainability experts, mental health professionals, legal aid partners, educators

Virtual Chapter Structure

- Chapter Host: Individual or organization providing meeting space or virtual hosting
- Sustainability Hour Facilitator: Trained community volunteer running weekly sessions
- Mental Health Services Coordinator: Licensed partner from Family Affair network
- Youth Programs Manager: Focuses on under-18 engagement and leadership pipeline
- Family Support Lead: Connects members to food, housing, legal, and career resources
- Volunteer Coordinator: Recruits and trains new chapter volunteers

Volunteer Force Targets

- 10,000 volunteers globally by Year 1
- Mix of professional expertise and everyday community members
- Youth leadership development pipeline — teens grow into program managers
- Senior citizens serve as mentors, wisdom keepers, and intergenerational connectors
- 1,000,000 volunteers mobilized globally by Year 5

Measurable Impact Goals

THE WORLD BANK TARGET
\$1.64 TRILLION NEEDED BY 2030 TO END EXTREME POVERTY
Global Citizens Community Center is a direct mobilization engine toward this goal.

The \$1.64 Trillion — What It Means

The World Bank has calculated that \$1.64 trillion is required between now and 2030 to lift the remaining 700 million people out of extreme poverty — defined as living on less than \$2.15 per day. That is \$328 billion per year for 5 years. Governments and multilateral institutions must provide the bulk of this capital, but they cannot spend it without trusted grassroots infrastructure — organizations with community relationships, local delivery capacity, and the ability to reach people where they live. That is exactly what GCCC builds, virtually and at global scale.

GCCC's Contribution Pathway to \$1.64 Trillion

Contribution Type	5-Year Value	Toward \$1.64T Goal
Grassroots fundraising (base)	\$1.6175 billion	0.099% of \$1.64T
\$120M matching fund (secured)	\$120 million	Doubles early-year impact
Total funds raised	\$1.7375 billion	0.106% of \$1.64T
Mental health cost savings	\$300 million	Frees family income for basics
Legal aid cost savings	\$150 million	Removes barriers to mobility
Food assistance delivered	\$200 million	Direct hunger relief
Wage increases (job placement)	\$2 billion/year	50,000 families lifted permanently
TOTAL ECONOMIC IMPACT	\$4.39 BILLION	0.27% of \$1.64T — grassroots alone

Why 0.27% from One Virtual Organization Matters

\$4.39 billion generated by a virtual community center — powered by bake sales, Sustainability Hours, and millions of ordinary people taking small actions — demonstrates a fundamental truth: the path to \$1.64 trillion is not just a top-down funding problem. It is a bottom-up mobilization problem. GCCC builds the networks, habits, and trust that make every institutional dollar 10x more effective. When the World Bank, USAID, or the UN deploys capital, they need communities ready to receive it. GCCC creates those communities — virtually, globally, at zero marginal facility cost.

5-Year Impact Targets Tied to the \$1.64 Trillion Goal

- World Bank needs \$1.64T total — GCCC mobilizes \$4.39B in direct + economic value (0.27%)
- \$328 billion needed per year globally — GCCC activates communities to demand and deliver their fair share
- 700 million in extreme poverty — GCCC directly serves 1 million, with ripple impact on millions more
- \$1.7375 billion raised through grassroots fundraising + \$120M secured matching fund
- 500,000 Sustainability Hour sessions held by Year 5 — building climate AND economic resilience
- 1,000,000 volunteers mobilized — the human infrastructure behind the \$1.64T goal
- Sustainability Hour in every major city on 7 continents — the global delivery network
- \$300M mental health savings + \$150M legal savings + \$200M food aid = \$650M in direct family relief
- \$2 billion in annual wage increases — permanently lifting 50,000 families above the poverty line
- 50,000 youth engaged — the generation that will close the final gap after 2030
- Measurable reduction in Doomsday Clock risk factors tied to poverty and climate

How GCCC Accelerates the Full \$1.64 Trillion

- Direct fundraising: \$1.7375B raised and deployed — every dollar matched, tracked, and reported
- Cost reduction for families: \$650M+ saved — income preserved is income above the poverty line
- Permanent economic lift: \$2B/year in wages — the most durable form of poverty elimination
- Proof of model: \$120M institutional match signals to all major funders that community-driven works
- Infrastructure at scale: virtual chapters in every city make institutional capital deliverable everywhere
- The multiplier: each healed, employed, legally supported person contributes back — compounding the \$1.64T return

Call to Action

89 seconds to midnight. \$1.64 trillion needed. \$120 million matched.

We have the solutions. We have the resources. We have the people. We have the match.

Week 1 — Emergency Mobilization

- Launch GCCC virtual platform and Sustainability Hour digital hub
- Recruit founding volunteer coordinators in 7 continental hub cities
- Execute first simultaneous no-bake vegan bake sale globally
- Activate No Kid Hungry partnership and begin first proceeds transfer
- Begin outreach to Family Affair Organization and all confirmed partners

Month 1 — Foundation Building

- Establish legal entity, open nonprofit bank account, set up donation processing
- Train first cohort of 100 Sustainability Hour facilitators globally
- Launch Drop the Flag Challenge across all 7 continental chapters
- Begin Global Family Fest planning for Month 4–5 execution
- File first grant applications: climate action, mental health, poverty reduction

Quarter 1 — Full Global Deployment

- Sustainability Hour operational in all 7 continental hub communities
- First Global Family Fest executed across 7 continents
- Impact data collection and first public impact report
- Media and global social campaign launch
- First corporate sponsorship agreements secured

The Math of Movement:

If 10 million people worldwide each raise just \$160 over 5 years through bake sales, events, and donations — we raise \$1.6 billion. With the \$120M match doubling our early efforts, we reach \$1.7375 billion. That is just \$32 per year, per person. One bake sale. Every dollar counts double.

Together, we turn back the Doomsday Clock.

Together, we unite communities worldwide.

Together, we sustain the planet.

Together, we END EXTREME POVERTY BY 2030.

- *Local insurance broker familiar with nonprofits*
-

DAY 3-4: CORE TEAM ASSEMBLY

Build Your Founding Leadership

A. Recruit Initial Board of Directors (12 Seats)

Board Composition (as per your proposal):

- 3 GCCC representatives (including you as Founder)
- 3 Family Affair Organization representatives
- 3 partner organization representatives
- 3 community-elected seats

Your First Board (Month 1): Start with 5-7 people you trust deeply:

- **You** (Founder/President)
- **Treasurer** (financial oversight, CPA if possible)
- **Secretary** (records, compliance)
- **2-4 community leaders** with relevant expertise:
 - Mental health professional
 - Sustainability/environmental expert
 - Fundraising/development professional
 - Youth advocate or educator

Where to Find Board Members:

- Personal network - people who already believe in you
- LinkedIn - search "nonprofit board member" + your city
- **BoardSource.org** - board member matching
- Local volunteer centers
- Sustainability/climate action groups
- Mental health advocacy organizations

Board Member Expectations (Put in Writing):

- Attend 4 quarterly meetings per year (can be virtual)
 - Serve on at least 1 committee
 - Donate personally or help raise funds ("Give or Get" \$1,000-\$5,000)
 - 3-year term commitment
-

B. Recruit Continental Coordinators (7 Positions)

Role: Manage regional partnerships, chapter oversight, cultural adaptation

Your First Coordinators (Can start with 3-4, expand to 7):

Immediate Priority Continents:

1. **North America** (your base - YOU initially)
2. **Africa** (highest poverty impact potential)
3. **Asia** (largest population, climate vulnerability)

Recruit Later: 4. Europe 5. South America 6. Australia/Oceania 7. Virtual/Antarctica (research & global coordination)

Where to Find Continental Coordinators:

- **Global Citizen platform** - tap into existing network
- **Expat communities** in your city
- **International student organizations** at universities
- **Online communities:** **Reddit** r/IWantOut, r/SocialImpact
- **LinkedIn** - search "international development" + continent
- **Idealist.org** - international volunteer matching

Coordinator Expectations:

- **Virtual check-in weekly** (1 hour)
- **Recruit & train 10 chapter hosts** in their region (Year 1)
- **Adapt Sustainability Hour curriculum** for cultural context
- **Manage volunteer base** in their timezone
- **Report monthly on impact metrics**

Compensation:

- **Volunteer initially** (first 6-12 months)
- **Stipend once funded:** \$500-\$2,000/month depending on region cost of living
- **Full salary by Year 2:** \$40,000-\$60,000/year equivalent

C. Staff Your Virtual Headquarters (Phase 1)

Immediate Hires (You + Volunteers Initially):

Role	Responsibilities	When to Hire	Compensation
Founder/Executive Director	Overall vision, fundraising, partnerships	NOW (You)	\$0 → \$60K/yr
Operations Manager	Daily coordination, volunteer management	Month 3	Volunteer → \$45K/yr
Technology Manager	Platform management, virtual events	Month 1	Volunteer → \$50K/yr
Fundraising Director	Grants, corporate sponsors, campaigns	Month 4	Volunteer → \$55K/yr

Communications Director

Social media, PR, storytelling

Month 2

*Volunteer →
\$45K/yr*

Initial Model: *Everyone is a volunteer with equity (future paid role promises)*

Transition to Paid:

- *Month 6-12: Pay yourself \$2,000/month stipend from first fundraising*
 - *Year 1: Full-time ED salary \$60K + Operations Manager \$45K*
 - *Year 2: Add Fundraising & Communications Directors*
 - *Year 3: Full 5-person HQ staff*
-

DAY 5-6: BRAND IDENTITY & ONLINE PRESENCE

A. Visual Identity

Logo Design:

DIY Option (Day 1):

- **Canva Pro** (\$12.99/month) - use nonprofit discount
- Design simple logo with globe + community imagery
- Export in PNG, SVG, PDF formats

Professional Option (Week 1):

- **Fiverr/Upwork:** \$50-\$500 for logo package
- Hire designer from Global South (cost-effective, supports mission)
- Get: logo, color palette, typography guide, brand style sheet

Your Brand Colors (Suggested):

- **Primary:** Deep blue/teal (trust, global, water/earth)
 - **Secondary:** Vibrant green (sustainability, growth)

Build Your Virtual Community Center (Week 2 Tasks)

1. Create Sustainability Hour Curriculum Library

Platform: Google Drive + Thinkific (free)

Structure:

- 📁 Sustainability Hour Curriculum/
 - 📁 Week 1: Carbon Footprint 101
 - Facilitator Guide.pdf
 - Participant Worksheet.pdf
 - Presentation Slides.pptx
 - Video: What is Carbon? (5 min)
 - 📁 Week 2: Plant-Based Nutrition
 - Why Vegan Matters for Climate.pdf
 - No-Bake Recipe Cards (10 recipes)
 - Nutrition Guide.pdf
 - Video: From Farm to Fork (7 min)

 Week 3: Community Food Security

- Food Desert Mapping Activity
- Interview a Local Farmer Worksheet
- Garden Planning Template

 Week 4: Fast Fashion & Consumption

... [52 weeks of curriculum]

 Facilitator Training

- How to Host Sustainability Hour (video course)
- Volunteer Handbook.pdf
- Zoom Setup Guide
- Crisis Management Protocol

Development Timeline:

- **Week 1:** Create first 4 weeks of curriculum (pilot content)
- **Month 2:** Develop weeks 5-12
- **Months 3-6:** Complete full 52-week annual curriculum
- **Ongoing:** Update with current events, new science

Who Creates This:

- **You** (initial framework & outlines)
- **Subject matter expert volunteers** (climate scientists, nutritionists, educators)
- **Youth advisory council** (ensure content resonates with teens)

Budget:

- **DIY:** \$0 (your time + volunteer experts)
- **Professional:** \$5,000-\$10,000 (hire curriculum designer on Upwork)

2. Set Up Volunteer Portal

Minimum Viable Volunteer System:

A. Volunteer Application Form (Google Forms)

Questions to Include:

1. Full Name
2. Email
3. Phone
4. Location (City, Country)
5. Which role interests you?

- ☐ *Sustainability Hour Facilitator*
 - ☐ *Bake Sale Organizer*
 - ☐ *Social Media/Marketing*
 - ☐ *Fundraising*
 - ☐ *Technology/Web*
 - ☐ *Graphic Design*
 - ☐ *Event Planning*
 - ☐ *Other: _____*

6. *Time commitment available (hours/week)*

7. *Relevant skills/experience*

8. *Why do you want to join GCCC?*

9. *Background check consent (for roles with minors)*

B. Volunteer Database (Google Sheets or Airtable Free)

Columns:

- *Name, Email, Phone*
- *Location, Timezone*
- *Role(s), Skills*
- *Start Date, Status (Active/Inactive)*
- *Hours Logged, Events Attended*
- *Notes/Special Circumstances*

C. Volunteer Hub (Google Site - free!)

Create simple internal website with:

- *Training videos*
- *Resource downloads*
- *Calendar of opportunities*
- *Discussion forum link*
- *Impact reports*

3. Launch Telehealth Mental Health Platform

Partnership Path (Recommended):

Work with Family Affair Organization - they provide:

- *Licensed therapists*
- *Existing telehealth infrastructure*
- *HIPAA-compliant systems*
- *Crisis hotline capacity*

Your Role:

- *Drive client referrals through Sustainability Hour*

- Co-brand the service delivery
- Fund expansion of their capacity via fundraising

If Building In-House (Year 2+):

Requirements:

- **HIPAA-compliant platform:** *Doxy.me* (\$35/month/provider) or *SimplePractice* (\$29/month)
- Licensed therapists in each state/country you operate
- Supervision structure & clinical director
- Liability insurance specific to mental health
- Crisis protocols & emergency contacts

Recommendation: PARTNER, don't build. Mental health is Family Affair's expertise.

DAY 16-22: PARTNERSHIP OUTREACH & MOU EXECUTION

Priority Partnership: Family Affair Organization

Goal: Formalize partnership with signed Memorandum of Understanding (MOU)

MOU Should Include:

1. Roles & Responsibilities

GCCC Provides:

- Fundraising engine (bake sales, events, grants)
- Volunteer recruitment & training
- Sustainability Hour curriculum & facilitation
- Youth programs & family engagement activities
- 30% of all bake sale proceeds to Family Affair core services

Family Affair Provides:

- Mental health counseling & telehealth platform
- Crisis hotline & emergency services
- Legal aid partnerships & referrals
- Physical meeting space in Brooklyn (when needed)
- Connection to existing community served

2. Financial Terms

- 30% of GCCC bake sale proceeds → Family Affair
- Quarterly payments
- Joint grant applications where eligible
- Shared fundraising events (co-branded)

3. Governance

- 3 Family Affair representatives on GCCC board
- Joint strategic planning meetings quarterly
- Shared impact reporting

4. Duration & Termination

- 3-year initial term
- Auto-renew unless 90-day notice given
- Exit terms if partnership dissolves

5. Branding & Communications

- Co-branding guidelines
- Approval process for public statements
- Joint press releases

Sample MOU Template: [Download free template from TechSoup.org]

Timeline:

- **Day 16-17:** Draft MOU (you + lawyer or template)
- **Day 18:** Send to Family Affair for review
- **Day 19-21:** Negotiate terms, revisions
- **Day 22:** Signatures, execution, press release

Priority Partnership: No Kid Hungry

Goal: Establish 40% bake sale proceeds flow to No Kid Hungry

Approach:

Email Template:

Subject: Partnership Inquiry - Global Youth Fundraising for No Kid Hungry

Dear [No Kid Hungry Partnership Team],

My name is Rosie, Founder of Global Citizens Community Center,
a virtual nonprofit uniting youth worldwide to address climate
and poverty through grassroots action.

We are launching a global "No-Bake Vegan Bake Sale" program,
with 40% of all proceeds designated for No Kid Hungry's mission
to end child hunger.

We project raising \$2 million for No Kid Hungry over our first
5 years through 10,000+ bake sales globally.

Would you be open to:

1. An official partnership allowing us to fundraise on your behalf?
2. Co-branding the bake sale program?
3. Featuring GCCC on No Kid Hungry's youth engagement platforms?

I would love to schedule a 20-minute call to explore collaboration.

Thank you for your incredible work.

*Rosie Williams
Founder, Global Citizens Community Center
Email: rosie@globalcitizenscommunity.org
Phone: [Your Number]*

Follow-Up:

- Day 18: Send email
- Day 21: Follow up if no response
- Week 3: Schedule call
- Week 4: Formal partnership agreement

Alternative if No Response:

- Research local/regional child hunger nonprofits
- Pivot 40% to multiple smaller organizations
- Maintain flexibility to shift partner if mission alignment better elsewhere

Build Your Partnership Pipeline (Week 3)

Target 10 Partnerships by Month 3:

Partner Type	Organization	Purpose	Status
Anchor Partner	Family Affair	Core services	MOU Week 3
Cause Partner	No Kid Hungry	Food security	Outreach Week 3
Advocacy	National Action Network	Civil rights	Outreach Week 4
Global Platform	Global Citizen	Amplification	Outreach Week 4
Community Centers	YMCA, Boys & Girls Clubs	Physical space hosts	Outreach ongoing
Education	Local School Districts	Youth programming	Month 2
Telehealth	BetterHelp, Talkspace	Mental health	Month 2

Legal Aid	Local legal aid societies	Free services	Month 2
Sports	Local sports leagues	Youth mentorship	Month 3
Arts	Music schools, theaters	Creative expression	Month 3

DAY 23-30: VOLUNTEER RECRUITMENT & FIRST SUSTAINABILITY HOUR PILOT

Week 4 Goal: Recruit 100 Founding Volunteers

Recruitment Channels:

1. Your Personal Network (Target: 20 people)

- Send personalized emails to friends, family, colleagues
- Ask for 1-hour/week commitment
- Emphasize founding member status

Email Template:

Subject: Help Me Launch a Movement to End Poverty

Hi [Name],

I'm launching Global Citizens Community Center - a virtual nonprofit mobilizing communities worldwide to address climate and poverty. We're aiming to contribute \$4.39 billion toward the World Bank's goal to end extreme poverty by 2030.

I need founding volunteers to help with:

- Hosting weekly "Sustainability Hour" sessions (1 hr/week)
- Organizing no-bake vegan bake sales
- Social media & outreach
- Event planning

Would you be willing to join as a founding volunteer? Even 1 hour per week makes a massive difference.

PHASE 2: LAUNCH (DAYS 31-60)

DAY 31-45: 7 CONTINENTS SOFT LAUNCH

Week 5-6 Goal: Sustainability Hour Live on All 7 Continents

Launch Strategy:

Step 1: Recruit 1 Chapter Host Per Continent (Days 31-35)

Who is a Chapter Host?

- Individual or organization providing meeting space OR
- Virtual host coordinating online sessions
- Commits to weekly Sustainability Hour for 12 weeks (pilot)
- Recruits 5-15 local participants

Where to Find Them:

North America:

- Your immediate network (YOU can be first host!)
- Post in local Facebook community groups
- Reach out to community centers, libraries, churches

Africa:

- Connect via **Meetup.com** → search "sustainability" + major cities
- **African Climate Alliance** on social media
- **WhatsApp groups** for African youth activists

Asia:

- **WeChat, LINE, KakaoTalk** (regional social platforms)
- International student associations
- Environmental NGOs in India, Philippines, Indonesia

Europe:

- **Extinction Rebellion** local chapters
- **Fridays for Future** groups
- University sustainability clubs

South America:

- **Facebook groups** for environmental activists (Spanish/Portuguese)
- Reach out to **Amazon Watch**, local conservation groups
- Partner with **Ashoka Fellows** in region

Australia/Oceania:

- **Sustainability Victoria, Cool Australia** networks
- Indigenous-led environmental groups
- University environment faculties

Antarctica/Global Virtual:

- Online climate communities (Reddit, Discord)
- Remote workers, digital nomads

- *Scientists, researchers with global networks*

Outreach Template:

Subject: Launch Sustainability Hour in [City/Region]

Hi [Name],

*I'm Rosie, founder of Global Citizens Community Center.
We're launching Sustainability Hour - a free weekly program
to educate communities on climate, poverty, and sustainability.*

*We're looking for a host in [City/Continent] to facilitate
a 60-minute session each week. We provide:*

- ✓ Full curriculum & training*
- ✓ Zoom account & tech support*
- ✓ Marketing materials*
- ✓ Connection to global network of hosts*

*Time commitment: 1 hour/week + 30 min prep
Participants: 5-15 community members (in-person or virtual)*

First session target: Week of [Date]

Would you be interested in hosting?

*Rosie
Global Citizens Community Center
[Email] | [Website]*

Step 2: Train All 7 Chapter Hosts (Days 36-40)

Training Format: 2-hour Zoom session

Curriculum:

Hour 1: Facilitation Skills

- How to lead a group discussion*
- Managing different personalities*
- Creating safe, inclusive space*
- Handling conflict or controversy*
- Virtual meeting best practices*

Hour 2: Sustainability Hour Walkthrough

- Review Week 1 curriculum step-by-step*

- Practice activities
- Q&A on content
- Technology tutorial (Zoom, screen sharing)
- Reporting & impact tracking

Materials Provided:

- **Facilitator Guide** (script for each week)
- **Presentation slides** (ready to use)
- **Participant handouts** (printable PDFs)
- **Zoom background** (branded GCCC image)
- **Social media templates** (promote your session)

Follow-Up:

- Create **WhatsApp group** or **Slack channel** for all 7 hosts
- Daily check-ins leading up to first session
- Peer support & troubleshooting

Step 3: Coordinate Simultaneous Launch (Days 41-45)

Launch Week Schedule:

Day	Continent	City (Example)	Time (Local)
Monday	Asia	Mumbai, India	6:00 PM IST
Tuesday	Africa	Nairobi, Kenya	6:00 PM EAT
Wednesday	Europe	London, UK	6:30 PM GMT
Thursday	South America	São Paulo, Brazil	7:00 PM BRT
Friday	North America	Brooklyn, NY	6:00 PM EST
Saturday	Australia	Sydney	10:00 AM AEST
Sunday	Global Virtual	Online	12:00 PM UTC

Media Strategy:

- **Live-tweet** each session as it happens (time zones create 24-hour news cycle!)
- **Instagram Stories** takeover by each host
- **Facebook Live** from at least 2 sessions
- **Press release:** "Global Nonprofit Launches on 7 Continents in 7 Days"

Metrics to Track:

- *Total participants across all 7 sessions*
- *Geographic reach (countries represented)*
- *Social media engagement (#SustainabilityHourNOW)*
- *Media pickups*
- *Volunteer applications received*

Success = 50-100 total participants in Week 1

DAY 46-52: FIRST GLOBAL BAKE SALE DAY

Saturday, Week 7: Launch No-Bake Vegan Bake Sale Worldwide

Goal: Execute 10-20 simultaneous bake sales, raise \$5,000-\$10,000

Step 1: Recruit Bake Sale Organizers (Days 46-48)

Who Can Organize?

- *Sustainability Hour chapter hosts (natural fit!)*
- *Youth volunteers (teens LOVE bake sales)*
- *Parent groups (PTA/PTO)*
- *Faith communities (after services)*
- *University clubs (on campus)*

Bake Sale Organizer Toolkit (Provide to All):

GCCC Bake Sale Kit Contents:

1. Organizer Guide (PDF)

- *Step-by-step timeline (4 weeks before → day of → day after)*

- *Food safety guidelines*
- *Insurance coverage info*

2. Recipe Cards (10 no-bake vegan recipes)

- *Energy balls (3 varieties)*
- *No-bake oat bars*
- *Chocolate avocado mousse*
- *Coconut date truffles*
- *Chia pudding cups*
- *Frozen banana pops*
- *Raw fruit & nut bars*

3. Marketing Templates

- **Poster** (print & post in community)
- **Social media graphics** (Instagram, Facebook)
- **Email announcement** (send to personal network)
- **Table signs** ("All proceeds go to No Kid Hungry!")

4. **Donation Processing Options**

- **Cash/Venmo** QR code (direct to GCCC account)
- **Square Reader** (we mail to organizers OR they use their own)
- **"Pay What You Can" model** (suggested \$1-\$3 per item)

5. **Impact Reporting Form**

- Total raised
- Number of items sold
- Attendees/foot traffic
- Photos for social media
- Organizer feedback

Download Link: [Google Drive folder, open access]

Step 2: Coordinate Locations & Timing (Days 49-50)

Ideal Bake Sale Locations:

- **Outside grocery stores** (high foot traffic)
- **Farmers markets** (aligned demographic)
- **Community centers** (after Sustainability Hour session!)
- **University campus** (student unions, quad)
- **After religious services** (coffee hour)
- **Parks** (weekend family events)
- **Outside yoga studios, gyms** (health-conscious crowd)

Timing:

- **10 AM - 2 PM** (peak weekend activity)
- Coordinate so social media posts span 24 hours globally

Locations for First Bake Sale Day (Target 10-20):

City	Organizer	Location	Expected Raise
Brooklyn, NY	Rosie (YOU!)	Outside community center	\$300-\$500
Los Angeles	Volunteer	Farmers market	\$400-\$600
London	UK host	Outside Tube station	£200-£300
Mumbai	India host	Community gathering	₹10,000-15,000
Nairobi	Kenya host	University campus	KSh20,000
São Paulo	Brazil host	Park festival	R\$800-1,200
Sydney	Australia host	Beach promenade	A\$400-600

...

...

...

...

Total Target: \$5,000-\$10,000 raised on Day 1

GLOBAL NONPROFIT LAUNCHES ON 7 CONTINENTS IN 7 DAYS,
AIMS TO RAISE \$1.7 BILLION TOWARD ENDING EXTREME POVERTY BY 2030

*Virtual Community Center Unites Youth Worldwide Through
"Sustainability Hour" Program and No-Bake Vegan Bake Sales*

*[CITY, STATE] - As the Doomsday Clock stands at a terrifying
89 seconds to midnight, a new virtual nonprofit is mobilizing
communities worldwide to address humanity's most pressing crises:
climate catastrophe and extreme poverty.*

*Global Citizens Community Center (GCCC), founded by Rosie Williams,
launched simultaneously on all seven continents this month,
coordinating weekly "Sustainability Hour" sessions in cities from
Brooklyn to Mumbai to São Paulo.*

*"The World Bank says we need \$1.64 trillion by 2030 to end extreme
poverty," says Williams. "That sounds impossible - but if 10 million
people each raise just \$160 over five years, we're there. We've secured
a \$120 million matching fund to double grassroots dollars. This is
our generation's moonshot."*

GCCC's flagship fundraiser - a "no-bake vegan bake sale" program - generates zero emissions while raising funds for child hunger, mental health services, and community development. The first Global Bake Sale Day on [Date] raised over \$8,000 across 20 cities in one day.

The organization's virtual model eliminates facility costs, allowing 100% of resources to flow directly to poverty alleviation programs. Key partners include Family Affair Organization (mental health services), No Kid Hungry (food security), and the National Action Network.

"By 2029, we project raising \$1.7 billion plus creating \$2.65 billion in economic value through free mental health care, job placements, and legal services," Williams explains. "That's \$4.39 billion in total impact toward the World Bank's goal - from bake sales and one-hour-a-week volunteers."

GCCC is currently recruiting chapter hosts and volunteers worldwide. No experience required - just one hour per week and a passion for change.

Pitch Email Template:

*Subject: STORY IDEA: Virtual Nonprofit Launches on 7 Continents,
Targets \$1.64T Poverty Goal Through Bake Sales*

Hi [Reporter Name],

*I'm following up on the launch of Global Citizens Community Center -
a virtual nonprofit that went live on all 7 continents in 7 days
to address the World Bank's \$1.64 trillion challenge to end extreme
poverty by 2030.*

Why this story matters now:

- *The Doomsday Clock is at 89 seconds to midnight*
 - *\$1.64 trillion needed by 2030 (World Bank data)*
 - *We've secured \$120 million in matching funds*
- *Zero-emissions fundraising model (no-bake vegan bake sales)*
 - *Entirely virtual - no facility costs, 100% to programs*
- *Youth-driven movement with measurable impact goals*

Story angles:

- *Climate + poverty intersection (dual crisis solutions)*
 - *Gen Z activism meets structured philanthropy*
- *Hyper-local action (bake sales) meets global coordination*
 - *Virtual organizing during/post-pandemic*

Happy to provide:

- *Interview with founder (me)*
- *Data on first month results*
- *Photos from 7-continent launch*
- *Connection to beneficiaries/volunteers*

Would this fit [Publication Name]'s coverage?

*Best,
Rosie Williams

Pitch:

Subject: Guest Pitch: Founder Raising \$1.7B to End Poverty by 2030

Hi [Host Name],

Love your show - especially your episode on [specific episode].

I'm Rosie, founder of Global Citizens Community Center. We just launched on 7 continents simultaneously with a goal to raise \$1.7 billion toward the World Bank's \$1.64 trillion target to end extreme poverty by 2030.

Our model:

- 100% virtual (no facilities = 100% to programs)
- Zero-emissions fundraising (no-bake vegan bake sales)
 - \$120 million in matching funds secured
- Weekly "Sustainability Hour" education program

Story highlights:

- Started in [your situation - be specific and personal]
- First Global Bake Sale Day raised \$8K+ in one day
- Coordinating across 7 continents via WhatsApp/Zoom
 - Targeting \$4.39 billion total impact by 2029

Would this fit your show? Happy to send more info or jump on a pre-interview call.

Best,
Rosie

Local PR Wins (Days 59-60)

Easier Hits for Early Momentum:

1. Local Newspaper Op-Ed:

- Write 600-word piece: "How [Your City] Can Help End Global Poverty"
- Submit to op-ed editor
- Include your credentials, local angle (e.g., "Brooklyn resident launches...")

2. Morning TV Segment:

- Pitch local morning shows: "Live Bake Sale Demo + Interview"
- Bring finished treats, show how easy it is
- 4-5 minute segment = huge exposure

3. Community Radio Interview:

- Call local public radio, college stations
- Offer 20-30 minute interview
- Drive volunteer signups

4. University Press Release:

- If you're a student/alum, send to university PR office
- They LOVE featuring alumni making impact
- Gets picked up by alumni magazine, local news

Success Metrics (Week 8):

- [] 3-5 local media mentions
- [] 1-2 national/tier 2 media mentions
- [] 1 podcast interview booked
- [] 50-100 new volunteer applications
- [] 1,000+ new social media followers

PHASE 3: GROWTH (DAYS 61-90)

DAY 61-75: SCALING TO 50 CHAPTERS

Week 9-11 Goal: Sustainability Hour in 50 Cities

Expansion Strategy:

Target Cities (50 Total, ~7 per continent)

Criteria for Selection:

- Population 100,000+

Recruitment Blitz (Days 61-68)

Tactics:

1. Leverage First-Month Press (Days 61-63):

- Add "Start a Chapter" CTA to all press mentions
- Update website with prominent volunteer recruitment banner
- Create "Chapter Host" specific landing page

2. Run Targeted Social Media Ads (Days 64-68):

- **Budget:** \$500 total (\$50 per target city)
- **Platform:** Facebook/Instagram (best for community organizing)

- **Targeting:**
 - Age 18-35
 - Interests: Sustainability, volunteering, nonprofit work, climate action
 - Location: Within 25 miles of target city
- **Creative:** Video testimonial from first-month chapter hosts
- **CTA:** "Host Sustainability Hour in [City] - Apply Now"

- ***Betterment, Wealthsimple*** (impact investing)
- ***PayPal, Stripe*** (payment processing with cause alignment)

Pitch: Financial inclusion + poverty alleviation mission

Outreach Process (Days 76-82)

Step 1: Research (Days 76-77)

- *Identify **20 target companies** (5 from each tier)*
- *Find correct contact:*

- Search "[Company] corporate social responsibility"
- "[Company] ESG contact"
- "[Company] philanthropy program"
- LinkedIn: Title "Corporate Social Responsibility Manager"

Step 2: Craft Personalized Proposals (Days 78-79)

Email Template:

Subject: Partnership Inquiry: [Company] x Global Citizens Community Center

Dear [Name],

I'm reaching out on behalf of Global Citizens Community Center - a virtual nonprofit uniting communities worldwide to address climate and poverty. We launched 2 months ago and now operate in 50 cities across 7 continents.

[Company]'s mission to [their specific mission - research!] aligns perfectly with our work. I'd love to explore a partnership.

Our reach:

- 50+ weekly Sustainability Hour programs globally
- 10,000+ monthly bake sales starting Month 3
 - 500+ volunteers and growing
- Targeting \$4.39B total poverty impact by 2029

Partnership opportunity:

We're seeking sponsors for our Global Bake Sale Day program - monthly coordinated fundraisers across 50 cities.

Benefits to [Company]:

- Reach mission-driven consumers (18-45 demographic)
 - ESG/CSR report content
- Employee engagement opportunities
 - Tax-deductible contribution

I've attached a 1-page sponsorship deck. Would you be open to a 20-minute call to explore?

Best,

Rosie Williams

Founder, Global Citizens Community Center

Attachment: GCCC_Sponsorship_Deck.pdf

Step 3: Create 1-Page Sponsorship Deck (Day 80)

Contents:

- **Cover:** Bold headline + compelling photo
- **Problem:** Doomsday Clock, \$1.64T poverty goal
- **Solution:** GCCC's model & proven traction
- **Reach:** Map showing 50 cities, 7 continents
- **Sponsorship Tiers:** Bronze, Silver, Gold (pricing & benefits)
- **Call to Action:** "Schedule a call: [Calendly link]"

Design: Canva template (looks professional!)

Step 4: Follow-Up & Close (Days 81-85)

Follow-Up Schedule:

- **Day 3:** Polite follow-up email if no response
- **Day 7:** Final follow-up with urgency ("filling sponsor slots soon")
- **Day 10:** Move on if still no response

When They Say Yes:

- Send sponsorship agreement (contract template from TechSoup)
- Invoice immediately (Net 30 payment terms)
- Deliver benefits promptly (logo on website same day!)

Goal by Day 85:

- [] 20 proposals sent
 - [] 5 calls scheduled
 - [] 2-3 commitments secured
 - [] \$25,000-\$50,000 in pipeline
-

DAY 86-90: GRANT APPLICATIONS & MAJOR DONOR CULTIVATION

Final Week of Phase 3: Lay Foundation for Big Money

Grant Research & Applications (Days 86-88)

Where to Find Grants:

1. Online Databases (Free/Paid):

- **Foundation Directory Online** (*Candid.org*) - \$60/month (*WORTH IT!*)

-

Timeline:

- **Day 86:** Research & select 5 grants
- **Day 87:** Draft narratives (adapt from main proposal document!)
- **Day 88:** Finalize applications, get board approval, submit

Success Metric:

- [] 5 grant applications submitted
 - [] \$100,000-\$500,000 in potential funding requested
-

Major Donor Cultivation (Days 89-90)

Who Are Major Donors?

- Individuals who can give \$1,000-\$1,000,000+
- Typically: Entrepreneurs, executives, celebrities, heirs/heiresses
- Motivated by: Impact, legacy, personal connection to cause

Where to Find Them:

1. Your Network (First Stop!):

- **Make a list:** Everyone you know who has wealth or access to wealth
- Don't self-select out - ask everyone!
- They can say no; you can't say no for them

2. Board Connections:

- Each board member should bring donor prospects
- "Give or Get" policy: Donate or help raise X amount

3. Events You Attend:

- Nonprofit galas, auctions, conferences
- Strike up conversations: "What causes are you passionate about?"

4. Charity Navigator, Guidestar:

- Research who donates to similar causes
- See public 990 forms showing large donations

5. LinkedIn:

- Search: "[Your city] philanthropist"
 - Join groups: "Social Impact Investors," "[City] Nonprofit Leaders"
-

Cultivation Process (Not Asking for Money Yet!):

Step 1: Warm Introduction (Day 89)

- *Get mutual friend/colleague to introduce you*
- *OR: Send cold but personalized LinkedIn message*

Message Template:

Hi [Name],

*I've been following your work on [specific project/cause],
and I'm so inspired by your commitment to [issue].*

*I recently launched Global Citizens Community Center - we're
mobilizing communities worldwide toward the World Bank's goal
to end extreme poverty by 2030. In just 2 months, we've launched
in 50 cities across 7 continents.*

*I'd love to share what we're building and learn more about your
work. Would you be open to a 20-minute coffee/call?*

No ask - just connecting with fellow changemakers!

*Best,
Rosie*

Step 2: Discovery Meeting (Day 90)

- *Listen 70%, talk 30%*
- *Ask about their philanthropic interests*
- *Share GCCC story authentically*
- *Gauge their interest level*

Step 3: Follow-Up (Week 13+)

- *Send thank-you note within 24 hours*
- *Keep them in loop with monthly updates*
- *Invite to events (Global Family Fest, bake sales)*
- *Formal ask comes LATER (after 3-6 months relationship building)*

Goal by Day 90:

- *[] List of 20 major donor prospects identified*
- *[] 5 warm introductions requested*
- *[] 3 discovery meetings scheduled for Month 4*

PHASE 4: OPERATIONS MANUAL

HOW TO RUN GCCC DAY-TO-DAY

1. Running Weekly Sustainability Hour

Weekly Rhythm:

Monday:

- *Continent coordinators review last week's sessions*
- *Update curriculum based on feedback*
- *Plan upcoming week's promotion*

Tuesday-Friday:

- *Chapter hosts review facilitation guide*
- *Promote session on social media*
- *Confirm attendance (send reminders)*

Session Day:

- *Host logs in 15 min early to test tech*
- *Welcome participants as they arrive*
- *Facilitate 60-minute session using curriculum*
- *Take attendance, collect feedback*

Day After:

- *Host submits impact report (Google Form)*
- *HQ updates global dashboard*
- *Social media team posts highlights*

Impact Tracking (What to Measure):

Metric	How to Track	Why It Matters
Attendance	<i>Sign-in sheet or Zoom report</i>	<i>Growth over time</i>
New vs. Returning	<i>Track names week to week</i>	<i>Engagement rate</i>
Demographics	<i>Optional survey</i>	<i>Inclusivity check</i>
Carbon Pledges	<i>Commitments made during session</i>	<i>Behavioral change</i>
Volunteer Hours	<i>Self-reported by hosts</i>	<i>In-kind contribution value</i>

Social Shares

Track hashtag usage

Reach & amplification

Tools:

- **Google Data Studio** (free) - Create visual dashboard
 - **Airtable** (free tier) - Track all chapter data in one place
 - **Weekly email report** to all stakeholders
-

2. Managing Volunteers Globally

Volunteer Lifecycle:

Recruitment → Onboarding → Engagement → Recognition → Retention

A. Onboarding (First 2 Weeks):

Day 1:

- Welcome email with video from you
- Assign to continent coordinator
- Add to Slack/WhatsApp group
- Send volunteer handbook (PDF)

Week 1:

- Orientation call (group or 1-on-1)
- Complete background check (if working with minors)
- Agree to code of conduct
- Choose initial role/commitment

Week 2:

- Shadow existing volunteer OR attend first Sustainability Hour as participant
 - Debrief with coordinator
 - Set 90-day goals
-

B. Engagement (Ongoing):

Keep Volunteers Active:

- **Weekly:** Update in newsletter with wins & needs
- **Monthly:** All-hands Zoom call (celebrate, problem-solve)
- **Quarterly:** Check-in survey (how are you feeling? What support do you need?)
- **Annually:** Volunteer appreciation event (virtual party!)

Prevent Burnout:

- *Respect time boundaries (1 hr/week = 1 hr/week, not 10!)*
 - *Rotate roles so no one gets stuck*
 - *Offer breaks (it's okay to step away for a month)*
 - *Say thank you OFTEN*
-

C. Recognition:

Celebrate Publicly:

- *Volunteer Spotlight on social media (weekly)*
- *Shoutouts in newsletter*
- *Annual awards: Most Hours, Most Impact, Most Creative, Rising Star*

Private Gratitude:

- *Handwritten thank-you notes (yes, mail actual cards!)*
- *Birthday/work anniversary recognition*
- *Personalized video messages from you*

Professional Development:

- *Letter of recommendation for college/jobs*
 - *LinkedIn endorsements*
 - *Leadership opportunities (promote from within!)*
 - *Free access to courses/conferences*
-

D. Retention:

Why Volunteers Leave:

1. *Don't feel appreciated*
2. *Don't see impact of their work*
3. *Burned out*
4. *Life circumstances change*

How to Keep Them:

1. *Say thank you constantly*
2. *Share impact stories weekly ("Your work helped X family access Y")*
3. *Respect boundaries & offer flexibility*
4. *Stay in touch even when they take breaks*

Exit Interviews:

- *When someone leaves, ask why (Google Form)*
 - *Learn from feedback*
 - *Invite to return anytime*
-

3. Financial Management & Compliance

Monthly Financial Tasks:

Week 1:

- *Reconcile bank accounts (match statements to QuickBooks)*
- *Review credit card charges*
- *Pay bills (hosting, software, insurance)*

Week 2:

- *Generate financial reports: Income Statement, Balance Sheet, Cash Flow*
- *Review against budget (are you on track?)*
- *Flag any concerns to board treasurer*

Week 3:

- *Process donation thank-you letters (tax receipts)*
- *Update donor database*
- *Prepare grant reports if due*

Week 4:

- *Forecast next month's cash flow*
- *Adjust budget if needed*
- *Board treasurer review meeting*

Annual Financial Tasks:

Q1 (Jan-Mar):

- *File Form 990 with IRS (tax return for nonprofits)*
 - *990-N (under \$50K revenue) - online, 10 min*
 - *990-EZ (\$50K-\$200K) - moderate complexity*
 - *990 (\$200K+) - hire CPA (\$1,500-\$5,000)*
- *Renew business licenses, permits*
- *Annual audit (if required by state or funders)*

Q2 (Apr-Jun):

- *Review insurance policies, renew if needed*
- *Board retreat (annual planning)*
- *Update financial policies if needed*

Q3 (Jul-Sep):

- *Mid-year financial review*
- *Adjust Year 2 budget based on Year 1 actuals*
- *Start Year 2 fundraising planning*

Q4 (Oct-Dec):

- *Year-end donor appeals*
- *Thank-you campaign (all donors)*

- *Next year's budget development*
- *Annual impact report to all stakeholders*

Compliance Checklist:

Federal:

- ☐ *File Form 990 annually (due 5/15 or 11/15 if on extension)*
- ☐ *Maintain 501(c)(3) status (don't do anything that jeopardizes it!)*
- ☐ *Political activity limits (nonprofits can't endorse candidates)*

State:

- ☐ *Register with state charity regulator (varies by state)*
- ☐ *File annual reports with Secretary of State*
- ☐ *State tax exemption renewal*

Best Practices:

- ☐ *Hold board meetings quarterly (document in minutes)*
- ☐ *Annual board vote on budget*
- ☐ *Conflict of interest disclosures signed annually*
- ☐ *Keep records for 7 years (IRS requirement)*

Tools:

- **QuickBooks Online** (Nonprofit rate: \$0-\$30/month)
- **Donorbox** or **Bloomerang** (donor CRM)
- **Expensify** (expense tracking)
- **Bill.com** (accounts payable)

4. Crisis Management & Risk Mitigation

Potential Crises & How to Handle:

Crisis Type: Volunteer Misconduct

Scenario: *Volunteer behaves inappropriately (harassment, theft, boundary violations)*

Response:

1. **Immediate:** *Remove volunteer from role, suspend account access*
2. **Investigate:** *Gather facts (interview parties, review communications)*
3. **Document:** *Write incident report, keep in confidential file*
4. **Decide:** *Termination, coaching, or other consequence based on severity*
5. **Communicate:** *Inform affected parties (victims, staff, board as needed)*
6. **Prevent:** *Review policies, add training if gap identified*

Legal Consult: *If involves minors, financial fraud, or potential lawsuit, call lawyer IMMEDIATELY*

Crisis Type: Financial Fraud

Scenario: Discover missing funds, unauthorized purchases, or embezzlement

Response:

1. **Secure:** Freeze accounts if needed, change passwords
 2. **Investigate:** Hire forensic accountant if amount is significant
 3. **Report:** File police report if criminal
 4. **Board:** Emergency board meeting, determine response
 5. **Insurance:** File claim under your D&O or crime policy
 6. **Transparency:** Inform donors/funders if required by law or grant terms
 7. **Prevent:** Implement financial controls (dual signatures, audits)
-

Crisis Type: PR Disaster

Scenario: Negative press, social media backlash, or controversy

Response:

1. **Pause:** Don't react immediately (emotions high)
2. **Assess:** Is the criticism valid? What are the facts?
3. **Consult:** Talk to board, PR advisor if you have one
4. **Respond:** Issue statement IF needed (sometimes silence is better)
 - Acknowledge if you made a mistake
 - Explain what you're doing to fix it
 - Commit to doing better
5. **Move Forward:** Actions speak louder than words
6. **Learn:** What systems failed? How do you prevent repeat?

Example Statement (if you messed up):

"We hear you. We made a mistake with [issue], and we take full responsibility. Here's what happened: [brief facts]. Here's what we're doing to fix it: [concrete steps]. We're committed to doing better, and we're grateful to everyone who holds us accountable to our mission."

Crisis Type: Partner Relationship Breakdown

Scenario: Major partner (Family Affair, No Kid Hungry) wants to exit partnership

Response:

1. **Listen:** Understand their concerns fully before defending
 2. **Problem-Solve:** Can the relationship be salvaged? What would it take?
 3. **Exit Gracefully:** If not salvageable, negotiate fair exit terms
 - Transition period
-

- *Communication plan (joint statement)*
 - *Financial settlements if needed*
 - 4. **Replace:** Identify new partner to fill gap
 - 5. **Learn:** What warning signs did you miss?
-

Crisis Type: Founder Burnout (You!)

Scenario: You're exhausted, overwhelmed, questioning everything

Response:

1. **Acknowledge:** Burnout is real and valid
2. **Delegate:** What can you hand off? Who can step up?
3. **Rest:** Take 1 week OFF (yes, the world will keep spinning)
4. **Support:** Talk to therapist, mentor, or peer founder
5. **Evaluate:** Is this a sprint (temporary intensity) or unsustainable pace?
6. **Restructure:** Hire help, reduce scope, or pivot model if needed

Prevention:

- Work 40 hrs/week maximum (model healthy boundaries!)
 - Take 1 day/week completely off (Sabbath)
 - Exercise, sleep, eat well (you can't pour from empty cup)
 - Celebrate wins, not just chase next milestone
-

Countries	25	50
Beneficiaries Served	50,000	100,000

YEAR 2-5 GROWTH TRAJECTORY

YEAR 2: \$1M → \$50M

Strategy: Proof of concept complete. SCALE AGGRESSIVELY.

- 1,000 chapters (20 chapters/week launched)
- 50,000 volunteers (10x growth)
- 100 employees (build full organization)
- \$50M revenue from:
 - \$25M bake sales (50,000 bake sales @ \$500 avg)
 - \$10M corporate sponsors (100 sponsors @ \$100K avg)
 - \$15M grants (major institutional funders)

With \$120M Match Applied: Year 2 total = \$50M + match portion = **\$100M impact**

YEAR 3: \$50M → \$150M

Strategy: Institutional credibility achieved. Think BIG.

- 5,000 chapters (continents fully saturated)
- 200,000 volunteers
- First Global Family Fest at scale (500 events)
- Municipal contracts (cities pay GCCC to deliver services)

With \$120M Match Fully Applied by End of Year 3: Total impact = **\$202.5M**

YEAR 4: \$150M → \$400M

Strategy: Self-sustaining revenue model. No more match needed.

- 20,000 chapters (every major city worldwide)
- 500,000 volunteers
- Social enterprise revenue streams operational
- Major government partnerships

YEAR 5: \$400M → \$1 BILLION

Strategy: Full mobilization. The world knows GCCC.

- 100,000 chapters (rural expansion complete)
 - 1,000,000 volunteers
 - Proven contributor to World Bank \$1.64T goal
 - Model replicated by other organizations globally
-
